

Daniel-Ioan Lechea

Date of birth: 02/09/2003 | **Nationality:** Romanian | **Gender:** Male | **Phone number:** (+40) 720602791 (Mobile) |
Email address: danutlechea2003@yahoo.com | **Address:** Cluj-Napoca, Romania (Home)

- **EDUCATION AND TRAINING**

CURRENT Cluj-Napoca, Romania
**SECOND-YEAR STUDENT AT THE FACULTY OF MATHEMATICS AND COMPUTER SCIENCE,
SPECIALIZING IN COMPUTER SCIENCE** Universitatea Babeş-Bolyai

- **LANGUAGE SKILLS**

Mother tongue(s): **ROMANIAN**
Other language(s): **ENGLISH**

- **DIGITAL SKILLS**

Java | C# | C/C++ | Python | SQL | Linux | HTML | CSS | JavaScript | Prolog | Lisp

- **PROJECTS**

Toy Social Network in Java

a desktop application that allows logging into an account, managing friends, and sending messages between friends using a GUI built with JavaFX, employing a layered architecture, object-oriented programming concepts, and data storage in a SQL Server database.

Link <https://github.com/Aschii6/Toy-Social-Network>

CURRENT
Triathlon Points Management System in Java and C#

desktop applications that use concepts of OOP, design patterns, networking with RPC, Object and Protobuf, ORM, REST services, property files, JavaFX, Windows Forms and database in SQLite

Other projects
